

Abkürzungsverzeichnis/Abbreviations

| Abkürzung Abbreviation | Bedeutung | Meaning |
|---------------------------|--|---------------------------------|
| A | | |
| ACE | Angiotensin Konversionsenzym | Angiotensin converting enzyme |
| AF | Atemfrequenz | Breathing Frequency |
| ANA | Anti-nukleäre Antikörper | Anti-nuclear antibodies |
| B | | |
| BF | Atemfrequenz | Breathing frequency |
| BP | Blutdruck | Blood pressure |
| BUN | Harnstoff im Blut | Blood urea nitrogen |
| C | | |
| CCT | Computertomographie des Schädels | Cranial computerized tomography |
| CPCS | California Poison Control System, Sacramento Division, University of California Davis Medical Center, Sacramento, California | |
| CPR | Herz-Lungen-Wiederbelebung | Cardiopulmonary Resuscitation |
| CSES | Central Sanitary-Epidemiological Service on Water Transport Illyichevsk, Ukraine | |
| CSF | Liquor | Cerebrospinal fluid |
| CT | Computertomographie | Computerized tomography |
| D | | |
| D | Deutschland | Germany |
| DIC-N | Database of Intoxicated Cases due to Organic Solvents, Nagoya University School of Medicine | |
| DNA | Desoxyribonucleinsäure | Deoxyribonucleic acid |
| DODDN | Departement of Occupational Diseases and Department of Neurology, Hopitale Maison Blanche, Reims Cedex, France | |
| ds-DNA | Doppelstrang-DNA | Double-strand DNA |
| E | | |
| ECG | Elektrokardiogramm | Electrocardiogram |
| EEG | Elektroenzephalogramm | Electroencephalogram |
| EKG | Elektrokardiogramm | Electrocardiogram |
| EOHUA | Environmental and Occupational Health, University of Arizona, Tucson, Arizona, USA | |
| ES | Spanien | Spain |

| F | | |
|-----------------|---|---|
| F | Frankreich | France |
| G | | |
| GCS | Glasgow Coma Scale | |
| H | | |
| HB | Bremen | |
| HE | Hessen | |
| HF | Herzfrequenz | Heart Rate |
| HH | Hamburg | |
| HPHTU | Department of Hygiene and Public Health, School of Medicine, Tokyo Women's Medical University | |
| I | | |
| ISNTC | InterShip Navigation Training Center, Manila | |
| J | | |
| J | Japan | |
| JICOSH | Japan International Center for Occupational Safety and Health | |
| K | | |
| KAI | Kurztest für allgemeine Intelligenz | Short test of general intelligence |
| KH | Krankenhaus | Hospital |
| M | | |
| M | Männlich | Male |
| MAIB | Marine Accident Investigation Branch, Southampton, England | |
| MWT-A/B | Mehrfach-Wortschatz-Intelligenztest, Serie A oder B | Vocabulary Intelligence Test, Series A or B |
| MRT/MRI | Magnetresonanztomographie | Magnetic resonance imaging |
| N | | |
| NI | Niedersachsen | |
| NPIC | National Pesticide Information Center, Corvallis, Oregon, USA | |
| NRW | Nordrhein-Westfalen | |
| NWG | Nachweisgrenze | Detection limit |
| P | | |
| P | Polen | Poland |
| PH ₃ | Phosphorwasserstoff | Phosphine |

| R | | |
|----------|---|---|
| RADS | Reactive Airway Dysfunction Syndrome | |
| RP | Rheinland-Pfalz | |
| RR/BP | Blutdruck | Blood Pressure |
| S | | |
| SDUT | San Diego Union-Tribune, San Diego, California, USA | |
| SUSM | Showa University School of Medicine, Tokyo, Japan | |
| U | | |
| UA | Ukraine | Ukraine |
| USA | Vereinigte Staaten von Amerika | United States of America |
| W | | |
| W | Weiblich | Female |
| Z | | |
| ZfAM | Zentralinstitut für Arbeitsmedizin und Maritime Medizin | Central Institute for Occupational Medicine and Maritime Medicine |
